CAMPER MAIL

Campers LOVE receiving mail while at camp! As we rely on rural mail carriers, we cannot guarantee your mail will arrive on time, so please allow time for mail handling services. You may also choose to drop your mail off directly at camp during check-in to be delivered later in the session.

- Include the Camper's Name and the name of the Camp Session.
- Round Lake is NOT responsible for mail delivery if name/session is missing.

CAMP STORE

Campers have the option of shopping for snacks and merchandise at the camp store. If your camper would like to utilize the store, we recommend sending \$2-\$4 daily for snacks and \$15-\$45 weekly for merchandise. For our younger camp sessions (1st-2nd Grade Day Camps, 2nd-3rd Grade Overnight, 3rd-4th Grade and 5th-6th Grade Camps) the camp store will be open for parents immediately following dismissal on the last day of camp.

CAMP PHOTOS

Each camp session will have a group photo available at www.roundlake.smugmug.com

We do not hire a photographer for the summer. We rely on volunteer photographers taking pictures of all the action! As a result, not all camps will have the same quantity and quality of pictures.

CAMP TIPS

- Campers are to remain at camp for the duration of their session. Leaving and returning during the week is strongly discouraged as it lessens the camp experience for both your camper and for others. If extenuating circumstances require your camper to leave during the session, please contact our office in advance so that we can connect you with the dean to make any necessary arrangements.
- To save time, leave your luggage in the car during check-in. Please bring only your camper and any medications to check-in. Once your camper has successfully checked in, you may grab your luggage and head to the dorms!

THINGS TO KEEP IN MIND

Phones

Cell phones can be VERY distracting at camp. They can also pose a safety hazard. In an effort to provide the best experience for all campers, please leave cell phones at home. Thank you!

Nurse

Worried about your camper's health, medications or allergies while at camp? Don't be! Our volunteer nurse is typically available during camper check-in to speak with parents and to answer your questions.

CHECK-IN

Check-in procedures:

- Join the waiting line (outside the retreat center for Camp Side or chapel for Lodge Side)
- Fill out a consent to release form
- Receive your camper's wristband at the check-in table.
- Drop off medication and form to camp nurse.
- Once you've completed all the steps above you can go to your car, pick up your luggage, then head to your dorm to drop your camper off!
- You've made it through check-in! Enjoy Camp!!

Don't forget to

- Pack!
- Verify your check-in time through our website or your confirmation email.
- Make sure you have paid your full balance.
Balance is due no later than two weeks prior to the start of your camp session

Camper Check-Out:

- Be sure to bring the matching tab to your camper's wristband, or a photo of it. You received this at check-in. If you have lost this, we ask you to provide a valid drivers' license for identification confirmation.
- Pick up your camper only from their dorm room unless otherwise instructed by your dean.
- Dismissal for Day Campers will be from the multipurpose building.
- Remember to pick up any medications! The parent/guardian is responsible to pick up any and all camper medication. It is NOT the camp's responsibility to return any forgotten medications.

Medical Check-List:

- Fill out medication form: If your camper will be bringing medication, whether prescription or over-the-counter, check the pages below to access the form.
- Bring this form with you to check-in. Please DO NOT submit this form to the camp prior to check-in.
- Drop form and medication off directly with the camp nurse. *Blank copies of the form will also be available at check-in, but the form is available in advance as having it pre-filled will save you time during check-in.*
- Alert us of any food allergies if forgotten during registration.

* We ask that you keep all medication in its original container. For easier drop-off and pickup, we recommend you put the medication in a Ziplock bag with your camper's name. Make sure to alert the nurse of any concerns or specific instructions. Feel free to ask any questions*
